

CENTRAL CALIFORNIA
LEGAL SERVICES
JUSTICE. EQUITY. POWER.

BASIC NEEDS ASSISTANCE

Central California Legal Services is here to assist you with basic needs that include having electricity and gas, along with the ability to communicate with family and friends. Central California Legal Services is working remotely with the following services:

- Assisting with electricity, gas and telephone matters
- Assisting with payment arrangements for those services
- Removing shut-offs
- Preventing disenrollment from the CARE program
- Preventing disenrollment from The California Life Line program
- Negotiating with telecommunication companies to prevent termination of services.

REMEMBER

- Practicing energy conservation will help keep your utility costs down
- Set your heater at 68°
- Unplug appliances when not in use
- Familiarize yourself with your utility bill energy charges
