

The Legal Advice & Referral Line is the Place to Start.

The Legal Advice & Referral line can be reached at (800) 675-8001 on Monday through Friday 9 am - 12 pm & 1 pm - 2:30 pm. The Line is closed on holidays and staff training days.

On the phone we will conduct eligibility screening to determine if you qualify for our services.

We will provide you with limited legal advice on your issue if it is appropriate to do so.

We will transfer eligible cases to CCLS team members for further consideration.

We will provide referrals to resources for those individuals that we are not able to assist.

**How long have you been working for CCLS?**

I have been working for CCLS for 38 years.

**What is the best and worst thing about working from home?**

Working from home has let me watch my daughter become a wonderful mother. What I don't like about working from home is not being able to socialize with my work family. I consider my workers being part of my family.

**How long have you been working for CCLS?**

I have been working for CCLS for 34 years.

**What is the best and worst thing about working from home?**

I like working from home due to being in a safe environment. I also like that I don't have to travel and being able to write letters after dinner. What I don't like about working from home is not being able to walk around with an ear piece along with a higher power bill.

**How long have you been working for CCLS?**

I have been working for CCLS for 34 years.

**What is the best and worst thing about working from home?**

What I do not like about working from home is that the internet is very slow. It's very difficult to reach to the staff and attorneys when I have a question or concern.

**What is your favorite food?**

I love BBQ pork ribs and beefsteak.
